2020 Summer Reading Program

Once Upon A Time Scavenger Hunt

How well do you know your classic “Once Upon a Time” stories? Test your knowledge of these children’s fairy tales by playing the Once Upon a Time Scavenger Hunt (answers below).

1. I was a poor orphan living in a big city until I got trapped in a cave. One of my best friends is blue, and the other is named Abu. We can take a ride on this to discover a whole new world.

2. When my father picked a rose for me, someone trapped him in their castle. To rescue my father, I traded places with him. Even though I was now trapped in his place, I found a room full of these that let me travel whenever I wanted.

3. My stepmother and stepsisters left me at home to clean while they went to meet the prince. Even though they left me behind, my fairy godmother helped me get to the ball. When I was trying to return home, I lost this.

4. I accidentally grew a plant so big that it reached up to the sky to another world—a world of giants. My mother was mad that I traded our cow for these.

5. My mother told me to stay on the forest path to grandmother’s house. When I left it to pick flowers, I met a big, scary creature instead. The villagers all know me by this vivid clothing I wear.
