

Policy 3-4-6. Petitions

Adopted 1/25/2018

JCLD allows petitioning by members of the public on the public sidewalks outside of library buildings.

Use of this area by petitioners does not indicate JCLD's endorsement of the issue that is the subject of the petition, and JCLD will not assist the petitioners.

The entrances to the buildings may not be blocked, and petitioners may not hinder either foot or automobile traffic, or disrupt use of the library in any way.
