ARTS & CRAFTS: OUTDOOR HUNT MANDALA

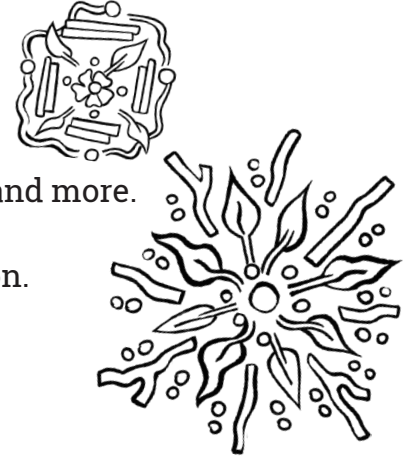

Get out of the house and go on an outdoor adventure hunt with the family! Create a mandala with the materials found on your adventure. Then, use the mandala as a wall or window decoration.

Supplies:

- Objects from nature: leaves, flowers, small rocks, twigs and sticks, pinecones, seeds, etc.
- Cardstock
- Craft glue

Instructions:

1. Collect items during your walk including sticks, feathers, leaves, and more.
2. Arrange the nature objects on the cardstock in a circular pattern.
3. You can also draw a pattern first if that will spark your imagination.
4. Glue the nature objects to the cardstock.
5. Let it dry, then hang your art on the wall or in a window.

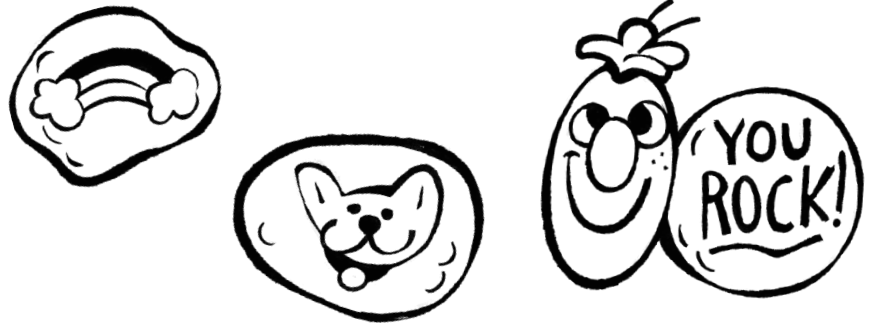

ARTS & CRAFTS: KINDNESS ROCKS

Spread kindness with rocks! Share the fun by hiding your painted rocks for others to find and keep or re-hide for someone else.

Supplies:

- Clean rocks
- Acrylic paints
- Paint brushes
- Clear acrylic sealer (optional)

Instructions:

1. Get inspired by insects, flowers, encouraging words, silly faces, and rainbows.
2. Take clean rocks and use acrylic paint to create a desired pattern on each one.
3. Once rocks are dry, hide them around town or next time you're out for a walk and share photos!

There are various groups that track found rocks so that you can see where yours might end up. **Grants Pass ROCKS** on Facebook is a local group where community members post pictures of rocks they've painted as well as rocks that have been found. To join the group, visit [facebook.com/groups/128713254255459](https://www.facebook.com/groups/128713254255459).
